

SECURITY PATROL CONSULTATION

www.hhera.com

Dear Resident

At the request of some of our members, your Association has been researching the viability of employing private security patrols to supplement the presence of the local Police in deterring crime on the estate. We have contacted several firms and now have a good idea of what might be offered and how much it would cost. The figures below are for two operatives to patrol for 12 hours each day of the year (at times to be agreed). Such patrols would of course benefit all residents but subscribers to the scheme would receive special attention and additional services.

For such a scheme to be practical we need to know how many households would be interested and how much you would be prepared to pay. Based on the lowest quotation we have received, if every household participated it would cost approximately £9 per month per household (inc. VAT). With 600 homes involved it would be around £18 per month, and with 300 homes around £36 per month.

If you would be interested in principle in subscribing to a Security Patrol scheme please return the form below by **Saturday December 13th**. **Please note this does not commit you to joining any future scheme.**

Thank you.
